

Mustafa Karadayi MP
President, MRF
Bulgaria

Brussels, 3 January 2019

Dear Mr Karadayi, dear Mustafa,

It is my honour to congratulate you on the 29th birthday of MRF this coming 4 January 2019. I salute your President of Honour, Ahmed Dogan, for taking the important initiative to establish the party on 4 January 1990 with the aim to defend ethnic peace and promote Euro-Atlantic values among citizens in post-communist Bulgaria.

Since its establishment, MRF has been a liberal movement that proclaims fundamental human rights and freedoms as its political philosophy, and denies any form of discrimination based on ethnicity, religion, sexual orientation, gender, and age. MRF has been proactive in advocating liberal policies aiming to create more economic opportunities and greater social inclusion.

As the party's first President of the Youth organisation and now current Party leader, you have played and continue to play a vital role in the strength of MRF and through its international and European commitments, helping the party play a key role in the liberal family and in the Group in the European Parliament.

We will go forward together!

Yours sincerely,
